Dr. Jose Evans I am from Puerto Rico. I've been in Arizona since 2009. I graduated from St. George's University in June 2009 and earned a bachelor's degree from the Universidad Metropolitana in San Juan, Puerto Rico. I have a wonderful wife, Kelli, whom I met at vet school, who has two big dogs, Sarah and Sally, whom I adopted from the street. I love spending time with my family and enjoying diving and look forward to travelling around the world soon. Dr. Elizabeth Glixman was born and raised in New York City. I received my bachelor's degree from NYU and a PhD in veterinary medicine from Cornell University in 2015. Then I moved west with my husband Andrew. Native Phoenicians. Since then, our family has grown to include dogs, cats, turtles, guinea pigs and fish. My personal interests include in-home care, education and customer training. In addition to caring for your pet, you also enjoy photography, the outdoors, sports and travel. Dr. Stephanie Stroutman was born and raised in Tucson, Arizona. I graduated in 2017 with a bachelor's degree from the University of Arizona and a graduate degree from Colorado State University. Over the years, I have volunteered in animal clinics, shelters and wildlife rehabilitation programs. As part of the AZPetVet family, it is of special interest, including surgery and customer training. I live with my boyfriend, Tarik, a dog Mike, and a ball python named Delia. Hobbies include spending time with friends and family, hiking and traveling. I am looking forward to meeting you and your pet! Dr. Hussier, an Adam Riley native born in Munster, Indiana. I had a bachelor's degree in science from Purdue University and a PhD in veterinary medicine from Midwestern University Glendale, AZ in 2018. I'm a new vet, but I'm not new to the field. In fact, I worked in an animal hospital for more than 10 years. That is why we have developed a strong interest in preventive medicine, soft tissue surgery and dentistry. My wife is also a vet, explaining how we ended up with two dogs - Eli the German Shepherd Dog, Freya Shepherd Mix, Odin one-eye cat and Thai Sulcata turtle. I enjoy hiking, kayaking, bird watching - basically, nothing outdoors. Next time you are here you should say hello - I would love to meet you and your pet! Dr. Liam Allen was born and raised on Long Island, New York, but moved to Park City, Utah, in high school. I received a bachelor's degree in veterinary technology in 2012 and a master's degree in medical laboratory sciences from Quinnipiac University in Connecticut in 2014. I graduated from Midwestern University and earned a PhD in veterinary medicine in May 2019. I live with my amazing wife and two Scottish terriers, Deeps and Daphne. I've kept a variety of unique pets throughout my life, including reptiles, rabbits, llamas, goats, and emus. My areas of interest include surgery, dentistry and preventive medicine. My hobbies include skiing, camping, golfing, painting. I look forward to taking care of your pet. Dr. Tatiana Ryakova was born and raised in Moscow, Russia. I moved to the United States and enrolled at the University of Colorado, where I received an honorary bachelor's degree. Before vet school, I worked in private practice and shelter as a veterinary assistant, later caring for professional show dogs, and even in wildlife rehabilitation. I fell in love with Colorado, so I decided to continue my education at Colorado State University, and in 2019 I received my PhD in veterinary medicine. My veterinary interests include medicine and exotic pet care. I share my With my 2 furry children: my dog Plato, cat Mia. In addition to caring for your pet, I love exploring the outdoors, reading and travelling around the world. I'm also learning how to play ukulele and speak Spanish! Spanish!
